White Birch has been a part of the Henniker Community since 1974, providing child care, school-age, and senior programming. We love this community and are hopeful that those who are able to help will. Our goal is to reopen as soon as possible and continue to enrich life in Henniker.

Thank you for your consideration and support. It means a lot not only to us, but more importantly to our working families and seniors.

Sincerely,

Marc McMurphy, Executive Director

We want you to know that although we have had to close our center during this time of social distancing to do our part in limiting the risk and exposure of COVID-19, we are still here for you. We have reached out to many of you asking about your care needs, and have done our best to coordinate care for your child(ren) with one of our Early Learning teachers. If you have any questions, or are still in need of care at this time, please contact our Director, Leanna Lorden - leannal@whitebirchcc.org.

For anyone familiar with the game of cribbage, getting 29 points is a perfect hand and achieving that is feat is quite rare. A few weeks ago, player Edie Gunn-Chase came pretty close being just one point shy.

Congratulations Edie!
