WHITE BIRCH CENTER for ACTIVE LIVING

Volume 4 ■ Issue 1 ■ July 2019

Message from the Executive Director

Hello Everyone,

To help keep things in perspective, and to keep you from feeling old, here are two stores to avoid.

Number one on my list is the Apple store. The Apple store is the only store in America where a 19-year-old retail clerk will look at an elderly person with simultaneous feelings of sympathy and dread. They want to help you, but they also know it's not possible. At the same time, while you desperately want to understand the benefits of technology, you secretly resent the fact that the person teaching you is younger than half the coffee stains in your carpet. You must accept that for you, an apple is just a thing to eat.

Number two, avoid any athletic clothing store. Although no one can pinpoint the actual date, someone changed all the clothing sizes for athletic wear. Remember when size Large used to fit great? Now, a size Large feels like you are trying on a Medium Toddler size. Just the other day I popped an elbow tendon in the Dick's Sporting Goods

dressing room trying to pull a "Large" golf shirt over my stomach. Granted, we bear some responsibility here. We are a bit bigger than we were in our thirties but still, give us some hope. Do I really have to shop in the section of 2XL and beyond.

I know some of you do understand technology and you are the same size as you were in your thirties. You can still take me with you when you go to the mall to purchase your Apple Watch and workout clothing. I won't embarrass you. I'll just wait at Cinnabon and read the paper while you shop.

Sincerely,

Marc McMurphy

Picnic in Azalea Park

In early June the town of Henniker had a ribbon cutting ceremony at Azalea Park. For the past several years many volunteers have shared their time and talents to restore this hidden treasure along the Contoocook River. On Thursday July 18th at 11:30 AM, we will meet for a picnic in the park. Transportation is on your own and you can park behind the Tucker Free Library. Cost for the picnic is \$10 (due when you sign up) and will include wraps from St Georges, chips, and beverage. If you would like to sign up stop by White Birch and see Marie or Beth Ann.

"Azalea Park was formally founded when Leander A. Cogswell gave a five acre parcel land to be 'forever owned, held and controlled by the town of Henniker as a public park...' in his last will and testament in 1928. Initial construction of the park, however, began in 1902, when the Henniker Woman's Village Improvement Society arranged for a ten-year lease of land known then as Rice's Grove. The park was earlier known as River Park, Rice Park, and then Emerson Park before Mr. Cogswell named the park for the wild azalea bushes that lined the Contoocook River banks during his time."
